Carlos Daniel Mendoza Castillo

Address: Julian Medina #2318
Guadalajara Jalisco
Phone Number: +52-331106-5283
E-mail: icarlosdan8@gmail.com

Objective

My Objective is to gain more experience in this field and be able to grow along with the company. Furthermore, be part of a high-energy team where I can grow and develop my skills. My goals consist of being part of a successful corporation and expand my knowledge by taking initiative on additional responsibilities, and contribute as much of value as I can. I see myself as a top performing employee in a well-established organization.
